This product was revised by the Support Council for use by CASAs of Pima County. The intention is not to make an all-inclusive list of everything a CASA can do with his/her CASA child. Rather, this is an attempt to consolidate a list of no-cost or low-cost choices. It will be an on-going 'work in progress', frequently updated as things are added or changed.

In order to make this a great product, all CASAs are encouraged to submit suggestions for the list. CASAs can submit an addition or recommended change by e-mailing Katie Hamlin at Katie@pimacountycasa.org. Recommendations should include *name, address, phone number, and website address (if available) of the activity's location; price of the activity; age group for which the activity is appropriate; area of town; and any additional information that could be useful to other CASAs*. Contributors should be able to vouch for the activity they recommend, meaning CASAs should have already taken part in the activity with either their own children or CASA children. Neither the CASA organization nor the CASA Support Council should be held responsible for the content of this list.
