## **CSCPC & CASA Background Information**

The CASA Support Council for Pima County, Inc. is a 501 (c) (3) nonprofit organization. We were certified 17 years ago by the IRS as tax exempt. With this status we are allowed to accept donations from the public.

We were also certified by the Arizona Department of Revenue (ADOR) in 2016 and again in 2018 as a “Qualifying Foster Care Charitable Organization” (QFCO), which allows Arizona taxpayers who donate to us to receive a tax credit on their Arizona taxes. The QFCO certification requires renewal whenever requested by ADOR. Along with the certification, we must meet all requirements of the law, including what and whom we can and cannot spend donations on.

We are an “auxiliary” member of National CASA and attend the annual National CASA conference. We must meet all requirements for Auxiliary organizations.

We are a member of the Arizona State Support Councils, which has presence in most of the counties. This group meets several times a year to discuss areas of interest and share accomplishments and new ideas.

We are a member of the Arizona Impact for Good, which supports all non-profits in Arizona with many services.

Our Mission is to support the unmet needs of abused and neglected foster children in Pima County who are supported by a CASA (Court Appointed Special Advocate). We also support CASAs and the CASA of Pima County Program.

The CASA of Pima County Program is a “Court-Based” CASA Program with full-member status with National CASA. Their employees, CASA Coordinators, supervise CASAs, Peer Coordinators, and CASA mentors. They are not allowed to accept donations or gifts from the public.

## Checklist of things to do *before* filling out a Tutoring Request Form

1. Talk with placement and child about whether the child is ready and willing to work with a tutor
2. Make sure the placement is willing to have a tutor come to their house at least once a week and that they can guarantee an adult will be present in a quiet location. The child needs to have a computer.
3. Ask placement, child, and teacher(s) about what subject(s) they need tutoring in
  - Note: Tutors work on foundational skills to help student work up to grade level. Tutors do not give homework help.
4. Have the placement give times that they are available to have the child do tutoring (the more times they can provide the easier it is to match a tutor)
  - Typically tutors meet for one hour per subject weekly. In the additional notes please indicate whether the student would like to meet more than once a week.
5. Ask the child whether they would be most comfortable with a male or female tutor
6. Other Information to locate before filling out the request:
  - Placement name, phone number, email address, and physical address
  - Name of School, Teacher's Name and Email
  - Does the child have an IEP or 504 plan (if yes it may be helpful to include the relevant parts of the IEP)
  - Any additional notes that may be helpful for the tutor.  
e.g., specific areas of subject the student is struggling with, current grade level student is performing at, etc.

After completing this checklist, you will be able to fill out the Tutoring Request Form on the Support Council's website.

Once submitted you will receive an automated email confirmation of your request. Within 24-48 hours the Support Council will contact you to go over the form and to inform you the request will be sent to the tutoring company. We use a reliable company and all tutors have a background check.

At this point, please let placement know they should be expecting a call from the tutoring company within a week to schedule a time for the tutor to meet with the student.

Reminders:

- If the child is unable to attend a session, please make sure the tutor is notified at least 24 hours in advance.
- Check in with the student monthly to make sure tutoring is still benefiting the child.
- Please use your CASAaz.gov email not your personal email
- The Support Council are not the child's tutor. Please have placement or you the CASA work with the tutors to schedule sessions and communicate progress.
- If you would like additional information or have questions about your child's education, we recommend attending the monthly Education Case Support Meetings, currently on the 2<sup>nd</sup> Tuesday of the month from 12-1pm
- If you have tutoring questions, please email Lindsey Brost at [Lindsey@casasupportcouncilpima.org](mailto:Lindsey@casasupportcouncilpima.org)
