CSCPC & CASA Background Information

The CASA Support Council for Pima County, Inc. is a 501 (c) (3) nonprofit organization. We were certified 21 years ago by the IRS as tax exempt. With this status we are allowed to accept donations from the public.

We were also certified by the Arizona Department of Revenue (ADOR) in 2016 and again in 2019 as a “Qualifying Foster Care Charitable Organization” (QFCO), which allows Arizona taxpayers who donate to us to receive a tax credit on their Arizona taxes. The QFCO certification requires renewal whenever requested by ADOR. Along with the certification, we must meet all requirements of the law, including what and whom we can and cannot spend donations on.

We are an “auxiliary” member of National CASA and attend the annual National CASA conference. We must meet all requirements for Auxiliary organizations.

We are a member of the Arizona State Support Councils, which has presence in most of the counties. This group meets several times a year to discuss areas of interest and share accomplishments and new ideas.

We are a member of the Arizona Impact for Good, which supports all non-profits in Arizona with many services.

Our Mission is to support the unmet needs of abused and neglected foster children in Pima County who are supported by a CASA (Court Appointed Special Advocate). We also support CASAs and the CASA of Pima County Program.

The CASA of Pima County Program is a “Court-Based” CASA Program with full-member status with National CASA. Their employees, CASA Coordinators, supervise CASAs, Peer Coordinators, and CASA mentors. They are not allowed to accept donations or gifts from the public.

Checklist of things to do *before* filling out a Tutoring Request Form

1. Talk with placement and child about whether the child is ready and willing to work with a tutor
2. Make sure the placement is willing to have a tutor come to their house at least once a week and that they can guarantee an adult will be present in a quiet location. It is best if the child has a computer, but is not necessary.
3. Ask placement, child, and teacher(s) about what subject(s) they need tutoring in
 - Note: Tutors work on foundational skills to help students work up to grade level. Tutors do not give homework help.
4. Have the placement give times that they are available to have the child do tutoring (the more times they can provide the easier it is to match a tutor)
 - Typically tutors meet for one hour per subject weekly. In the additional notes please indicate whether the student would like to meet more than once a week.
5. Ask the child whether they would be most comfortable with a male or female tutor.
6. Other Information to locate before filling out the request:
 - Placement name, phone number, email address, and physical address
 - Name of School, Teacher's Name and Email
 - Does the child have an IEP or 504 plan (if yes it may be helpful to include the relevant parts of the IEP)
 - Any additional notes that may be helpful for the tutor.
e.g., specific areas of subject the student is struggling with, current grade level student is performing at, etc.
7. CASAs are permitted to observe the tutoring sessions. Please contact the placement first and let the child know.

After completing this checklist, you will be able to fill out the Tutoring Request Form on the Support Council's website.

Once submitted you will receive an automated email confirmation of your request. Within 24-48 hours the Support Council will contact you to go over the form and to inform you the request will be sent to the tutoring company. We use a reliable company, and all tutors have a background check.

At this point, please let placement know they should be expecting a call from the tutoring company within a week to schedule a time for the tutor to meet with the student.

Reminders:

- If the child is unable to attend a session, please make sure the tutor is notified at least 24 hours in advance.
- Check in with the student monthly to make sure tutoring is still benefiting the child.
- **Please notify the Support Council at Lindsey@casasupportcouncilpima.org when your child's case is closed.** We are not aware of any changes to your child's case. Once you let us know the case is closed, we are then able to tell the tutoring company to end the tutoring sessions.
- Please use your CASAaz.gov email not your personal email
- The Support Council are not the child's tutor. Please have placement or you the CASA work with the tutors to schedule sessions and communicate progress.
- If you would like additional information or have questions about your child's education, we recommend attending the monthly Education Case Support Meetings, currently on the 2nd Tuesday of the month from 12-1pm
- If you have tutoring questions, please email Lindsey Brost at Lindsey@casasupportcouncilpima.org

Frequently Asked Questions

Q1: Does mileage start from my house, or from the placement's address where I pick up my CASA child?

A: The mileage reimbursement encompasses any driving you do to complete your duties as a CASA with or without the CASA child. This includes trips to court, outings with your CASA child, and any other CASA related duties you complete.

Q2: How does the outing reimbursement work for Co-CASAs?

A: Each Co-CASA and each child are allotted \$50 a month for outings.

CASA 1: \$50, Co-CASA: \$50, CASA Child: \$50 = \$150 monthly outing allowance total

Q3: How does the outing reimbursement work for siblings?

A: A sibling must also have a CASA to participate in outings. Each sibling gets the amounts described in question 2.

Q4: How does the outing reimbursement work for multiple cases?

A: The CASA is allotted \$50 per child, per case. Each CASA child is also allotted \$50 for outings.

Ex: 1st Case - CASA + 2 Children – (\$50 CASA ; \$50 for each child = \$150 total)

Ex: Same CASA - 2nd Case with 1 Child (\$50 CASA ; \$50 for the child = \$100 total)

Q5: Does it matter if the siblings live in the same placement or not?

A: No

Q6: Do I still need to fill out a Special Request if my item is already listed as one that will be reimbursed up to a certain amount on the special request form, for example, a car seat?

A: Yes. Please do not purchase any special request items without submitting a special request form. We need the request form for our records, and you will need to submit the receipt for the amount on the special request form.

Q7: Can my child still receive services from the Support Council if they are temporarily placed with their biological parents?

A: No. The Support Council is a Qualifying Foster Care Charitable Organization (QFCO), governed by the Arizona Department of Revenue. Our services are limited to funds for foster children – defined as children placed in a licensed foster home, licensed therapeutic foster home, licensed group home, or kinship home. The Support Council will still reimburse the CASA for mileage and outings for children temporarily placed with their bio parents.
